**** NEW ****

**TUESDAY, MAY 10TH
LEAGUE MIXER & TEAM SCRAMBLE**

FORMAT:

The structure is based on 45 players signing up for the 2011 Ladies League program. Team sizes and prizes will be determined/dependent on league participation. With 45 players, there will be 9 teams of 5 players in the League. The Front Nine will be played on the majority of league nights and the Back Nine will be played every third week.

QUOTA POINTS:

Quota Points (Individual/Team): "Most Points Win". This format was chosen, since it is the best equalizer for golfers of all abilities. Quota points will be added to each individual's 9-hole handicap. A current handicap report will be printed on Monday evenings and handicaps will be taken from this report.

THE WAY IT WORKS:

- 1 Point - Gross Double Bogey
- 2 Points - Gross Bogey
- 3 Points - Gross Par
- 5 Points - Gross Birdie
- 8 Points - Gross Eagle

TEAM SCORING:

The top three (3) quota point scores from each team will be combined to formulate a team score every league night. The two (2) lowest scores will be tossed out. Teams that are short players on any given Tuesday will use 90% of the weekly quota point average as their 'ghost' scores.

EXAMPLE:

Mrs. Jane Smith is a 17 handicap, therefore her 9 Hole League Handicap is 8.5. If she accumulates 13 Quota Points over 9 Holes, then her quota point total for this week would be 13 (Quota Points) + 8.5 (Handicap) for a total of 21.5 Points.

BONUS HOLES:

Each week, the League Coordinator will be responsible for selecting a Bonus Hole for league play. On this hole ONLY, ladies will have the chance to earn extra quota points for themselves and their team. The bonus hole will be identified by a proximity marker on the Red Tee Blocks.

(Double Bogey = 2 points, Bogey = 3 points, Par = 5 points, Birdie = 7 points, Eagle = 10 points)

THIS YEAR, THE RACE FOR FIRST PLACE ISN'T OVER UNTIL THE LAST PUTT IS MADE .
